LIVE WEBINAR:
The Clinical Utility of High Resolution Pharyngeal Manometry
Thursday February 16, 1:00-2:30 (EST)

Purpose: This 1-hour and 30 minute interactive webinar is designed to educate speech-language pathologists on the diagnostic and clinical applications of high resolution pharyngeal manometry (HRPM) for patients with dysphagia. This presentation will specifically discuss how HRPM complements other assessments such as videofluoroscopy and review normal versus abnormal HRPM studies. A paradigm for HRPM use in clinical therapy and case studies will be presented.

About the Instructor: Dr. Ashli O’Rourke, M.D. began her professional career as a Speech-Language Pathologist (SLP). After more than seven years of clinical speech therapy practice at Emory University Hospital, she attended the Medical College of Georgia. She completed her residency in Otolaryngology-Head and Neck Surgery, and her fellowship in Laryngology. Dr. O’Rourke joined the Medical University of South Carolina Evelyn Trammell Institute for Voice & Swallowing in September, 2012. Dr. O’Rourke is particularly interested in the diagnosis and treatment of swallowing disorders as well as LPR. Her research interests include the evaluation of pharyngeal dysphagia with high resolution manometry.

Cost: $50 through 1/20/2017
$55 1/21/17 until registration closes on 2/15/2017 at 5:00 EST

This course is offered for 0.15 ASHA CEUs (1.5 hours), Intermediate Level, Professional Area.

Registration: www.carolinafees.com

Learning Objectives
1. Participants will be able to identify the differences between a normal and abnormal pharyngeal swallow on high resolution pharyngeal manometry topographic pressure plots.
2. Participants will be able to state two clinical or diagnostic uses for high resolution pharyngeal manometry.

Agenda:
1:00-1:44: Introduction to High Resolution Manometry: Pharyngeal Normative Data, Diagnostic Applications of HRPM, and Clinical Applications of HRPM
1:45-2:19: Case Presentations
1:21-1:30 Summary and Questions

Instructor Disclosure: Dr. O’Rourke has the following financial relationships: she is a Laryngologist at the Medical University of South Carolina, she is a Consultant for Medtronic, Inc and an Advisory Board Member for Carolina Speech Pathology, LLC. She will receive payment for this webinar from CSP. Dr. O’Rourke has no non-financial relationships to disclose.

Carolina Speech Pathology, LLC is approved by the Continuing Education Board of the American Speech-Language-Hearing Association (ASHA) to provide continuing education activities in speech-language pathology and audiology. See course information for number of ASHA CEUs, instructional level and content area. ASHA CE Provider approval does not imply endorsement of course content, specific products or clinical procedures.
